Sponsor a Cat

We realize that not all of our supporters can adopt a cat or volunteer on a regular basis. That's why we started our "Sponsor a Cat" program.

Lindsey

For just \$10 a month, you can sponsor a cat and help ensure that he or she continues to get the special care that he or she deserves.

Simply visit our website, choose your cat or cats from the list of "Adoptables," and then mail us a check payable to "Second Chance Animal Rescue." Sponsors and "their" cats will be recognized on our website every month. (If you wish to remain anonymous on the website, just let us know.)

Also on our website:

- Adoption information and application
- Information on upcoming events
- Our quarterly newsletter, *Paw Prints*
- **Photographs of many more cats available for adoption or sponsorship!**

All of the cats pictured in this brochure are available for adoption.

Marlie

We are a volunteer-run non-profit organization that focuses on kittens and cats. Our mission is to provide care and rehabilitation (including spaying and neutering) for abandoned, abused, and injured animals and to provide a nurturing environment for them while they await adoption.

And we need your help!
